# MESSAGE FROM THE PRESIDENT

Dear Mission Friends,

I am very happy to report to you that your Rescue Mission continues to serve our community as we have for over 63 years! Because of your generous support and the support of many other compassionate people, we have not missed one day of service to our homeless, hungry, and needy neighbors. Thank you for that generous support, and we pray that God blesses you and yours.

As we move forward in the current fiscal year, we reflect back and thank God for seeing us through the past year. Like most people and businesses/ministries in Idaho, we felt the effects of the pandemic and suffered loss as well.

Our first case of COVID-19 at the Mission was a 77-year-old Guest who suffered from heart, liver, and lung disease, and COVID took his life. We provided isolation and quarantine to over 100 homeless people throughout the ensuing months and had dozens of our Staff members face that same situation. Sadly, one of our own, our brother Jeffery Aldridge passed away from the COVID virus, and two other staff members suffered greatly until recovering.

Thankfully, most of us were spared the virus, and all of us did all that we could to maintain services throughout the past year. I cannot say thank you enough to our staff, Board of Directors, and this wonderful community for the

extraordinary efforts made to ensure Mission operations never ceased. It was not easy, and we faced many challenges, but together and with our God leading, we have remained the Christ-centered homeless service provider that this community has come to depend on. Amazingly, we were able to help over 700 people again last year to transition from homelessness to independence! I could not be more pleased with that number.

You'll be pleased to know that, in the past year, the Mission has been able to pay off the full mortgages on the Recovery Lodge in Nampa and the Ministry Center in Boise! We are mortgage-free!! Income throughout the past year has been above average and has enabled us to provide long-overdue salary increases to our staff. We have also done some necessary repairs to our buildings and added a large walk-in freezer at the Lighthouse Mission in Nampa. Your support made all of this possible, as we refused the government stimulus offers and continue to depend on God and His faithful people to provide for our needs.

As I consider God's provision and blessing, I remember the words of Jesus in Matthew 10:27-33, as He tells us how much we mean to the Father. Verse 31 says, "Do not fear therefore; you are of more value than many sparrows." Looking ahead, it could be easy to fret

and worry about the future. But let us remember that God (and God alone) knows the future, and His promise to us is "I will never leave you nor forsake you." (Hebrews 13:5) Knowing how much He loves us and knowing that He is with us, we can face the future with confidence and peace. Thanks be to God!

In closing, I'd like to ask you to join us in praying for more staff. We have been short-handed on the men's ministry team for several months, creating a lot of stress with overtime and double shifts. Pray with us that God will stir the hearts of some Christian Men who would like to serve Him and His people at the Rescue Mission. The eternal rewards are terrific!!

Keep looking up, friends! God is good, all the time.

In His service with you,

## ABOUT BOISE RESCUE MISSION MINISTRIES

Since 1958, Boise Rescue Mission Ministries has been restoring faith, hope and family across the Treasure Valley. Today, we serve the homeless and addicted men and women of Boise, Nampa and surrounding areas from six unique locations in Ada and Canyon counties.

At Boise Rescue Mission Ministries, we see homelessness in its entirety. For us, taking care of homeless men, women and children isn't simply about addressing physical needs — food, shelter, clothing — it's just as much about addressing mental, emotional and spiritual needs.

## OUR MISSION STATEMENT

Boise Rescue Mission Ministries reaches out to the community by teaching the Word of God and providing food, shelter, clothing and opportunities to recover from homelessness for men, women, and children in need.
