Welcome to Boise Rescue Mission Ministries. In 1958, the Boise Rescue Mission started to feed and shelter homeless people with just a small soup kitchen and a few cots. Today, we have multiple facilities in Boise and Nampa that, in 2021, served over 200,000 meals and provided more than 100,000 nights of shelter, creating opportunities to recover from homelessness for hundreds of people in need. Boise Rescue Mission Ministries is committed to teaching the Word of God and caring for every man, woman, and child in need across the Treasure Valley, no matter where they are in life.

WE'RE HERE WHEN YOU NEED A HAND UP!

Addressing Immediate Needs - Guest Services is what we call our ministry to people in the Treasure Valley who need emergency overnight shelter. There are many reasons that people find themselves homeless; job loss, domestic violence, mental illness, disability, substance abuse, and more. If someone is homeless or struggling and in need of a hot meal or a safe place to stay, they can come to one of our emergency shelters in Boise or Nampa.

More than a Meal - Guest Services is also much more than the traditional "three hots and a cot". At all of our emergency shelters, our goal is to help each guest leave homelessness and enter into a new and better future. To that end, we offer comprehensive services to address the root causes of homelessness in each person's life. Individual case management, work search training, financial accountability programs, and mental health services all work together to achieve that goal - and we are seeing real results!
