The New Life Discipleship and Recovery Program is the Rescue Mission's one to two year drug and alcohol addiction recovery program. It provides discipleship, accountability, counseling, education, and a Bible-based curriculum to help men and women end their addictions and gain the tools to stay addiction-free.

Since the program's beginning in 1996, more than 360 men and women have graduated and moved on to build productive, successful lives.

"The atmosphere of our shelter is one of care and respect. No one is made to feel inferior...that is the heart of Christ reflected through the Mission. We are here for all, just as He came for all."

- Jacob Lang, Director of Men's Ministries

PROGRAM CAPACITY:

- ♦Men's program - 42
- ♦Women's program - 30

COST:

The New Life Program is completely funded by generous members of the community, and is free for the men and women participating.

"My life was over, but then I was given a chance at a new life. The day I walked through the doors of Lighthouse in Nampa was the day my life changed forever."
