CRADLE OF HOPE

Cradle of Hope is a program offered by Boise Rescue Mission Ministries to provide a safe haven for moms and babies in crisis pregnancy situations, addressing specific needs to strengthen the family, restore a confident personal identity, and revive a culture of life, tradition, and hope for this and future generations.

A CRISIS PREGNANCY MINISTRY

The Cradle of Hope Program aims to fill the “gap needs” in crisis pregnancy care in the Treasure Valley while partnering with local life-affirming pregnancy clinics, churches, and other organizations. It is more important than ever to reach out to women and men alike, reminding them that they are not alone, that their lives have value, that life is the first gift from God and the first unalienable right outlined in the Declaration of Independence, and that each human being - including the unborn - is made in the image of God, and therefore infinitely precious.

“I’m not alone anymore. I have finally found support and a family that truly loves me and my sons.” -TreyLinda

“For you formed my inward parts; you knitted me together in my mother’s womb. I praise you, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well. My frame was not hidden from you, when I was being made in secret, intricately woven in the depths of the earth. Your eyes saw my unformed substance; in your book were written, every one of them, the days that were formed for me, when as yet there was none of them.” – Psalm 139:13
